

Hillsboro Factory VersaLime Information

Production & Mined Versalime

The Hillsboro Factory will have production VersaLime available for pickup.

Loading Fee

The loading fee is \$0.00 per load.

Paperwork

Customers must fill out required paperwork prior to picking up lime for a particular site. Review and/or return the following documents:

- Lime Removal Agreement. Each year, customers must review, sign and return this agreement.
- Site Suitability Checklist. Customers must complete and return one form for every site where VersaLime is going to be applied.
- **American Crystal Sugar Company reserves the right to inspect sites to ensure suitability requirements are being adhered to.**
 - Fax : 218.236.4702 – corporate fax
 - Email: dwaters@crystalsugar.com or bhalvors@crystalsugar.com.

Loading Hours

Loading time need to be pre-scheduled with Doug Waters 701-741-5703. Lime is typically available from March 15th through around November 1st.

VersaLime Load Out Messaging

Customers who wish to receive information on VersaLime loading can sign up for text messaging and/or email notifications, section provided in the registration paperwork. Notices will go out when there is a change in loading time.

The First Load

Prior to picking up your first load, please complete and return your paperwork. You will then be sent a card with a number that corresponds to a specific field. Once you receive your number(s) you are free to schedule your loads. Once scheduled, trucks can proceed directly to the North Guardhouse by MDS to be checked-in. Drivers will need to show their assigned number card to the guard prior to receiving each load. Please make sure you show the number that corresponds to the field you plan to take the load to.

VersaLime Information

Additional information and required paperwork can be found at our website:
