Deschene Accepts Official Trial Specialist Position at American Crystal

Alec Deschene has accepted the position of Official Trial Specialist at American Crystal Sugar Company.

In this position, Deschene will conduct agronomic work related to the beet seed variety and official testing program at all American Crystal Sugar Company locations. Deschene most recently worked as a Soil Operations Lead at Farmers Edge. He holds a bachelor's degree in Natural Resource Management from North Dakota State University.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
