Senior Software
Developer

American Crystal Promotes Vangsness

Don Vangsness has been promoted to Senior Software Developer at American Crystal Sugar Company's Corporate Headquarters.

In this position, Vangsness will provide analysis, design, implementation, architectural direction and support of assigned business systems throughout the company. He has previous work experience at Great Plains Software, Caterpillar and Wennsoft. Vangsness has been with American Crystal for 12 years. He holds a degree in Computer Science from Moorhead State University Moorhead.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
