Marcuson**
Storeroom
Supervisor

American Crystal Promotes Marcuson

Cory Marcuson has been promoted to the position of Storeroom Supervisor at American Crystal Sugar Company's Moorhead factory.

In this position, Marcuson will supervise factory storeroom staff and activities to ensure compliance with purchasing and storeroom procedures and policies. He has been with American Crystal since 2012. Marcuson has held the position of Electrician and most recently Maintenance Planner. He holds a bachelor's degree in Business Management from the University of Mary. Marcuson also holds a master electrical construction license.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
