Henke Accepts Office Coordinator Position at American Crystal

Christine Henke has accepted the position of Office Coordinator at American Crystal Sugar Company's Drayton factory.

In this position, she will be responsible for coordinating and providing support services and related activities for factory Agriculture and Operations management staff. Henke has previous experience as an Administrative Assistant at Waste Control International. She was most recently the Office Manager at Bordertown Retail Systems and has 10 years of experience in the industry.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
