American Crystal Promotes Kathy Wang

Kathy Wang has been promoted to Senior Agriculture Information Analyst at American Crystal Sugar Company's Corporate Headquarters in Moorhead, Minn.

In Wang's new role she will provide data, statistical and geographical analysis for the agriculture information systems. She has worked in the Agriculture Department at American Crystal since 1997. Wang holds a Master of Science degree in Statistics and a minor in Computer Science from North Dakota State University.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
