

## PERSONNEL UPDATE

**Keaton  
Hanevold**  
Senior Engineer

## American Crystal Promotes Hanevold

Keaton Hanevold has been promoted to Senior Engineer at American Crystal Sugar Company's Crookston factory.

In this new role, Hanevold will provide overall factory project management expertise for engineering activities and capital investment projects. He has been a Factory Engineer for American Crystal since 2016. Hanevold holds a Bachelor's degree in chemical engineering from the University of North Dakota. He also has a Master of Business Administration degree from the University of Texas of the Permian Basin.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
