Martin Accepts Shareholder Accounting Supervisor Position at American Crystal

Ricki Martin has accepted the position of Shareholder Accounting Supervisor at American Crystal Sugar Company's Corporate Headquarters.

In this position, Martin will direct and manage company shareholder accounting activities such as maintenance of records, issuance of beet payments and tax-related documents and notifications of unit retains. She will also be the lead liaison with the IT department to develop, design and maintain the shareholder accounting computer systems. Martin was most recently the Financial Accounting Manager at Anchor Ingredients. She has previous experience as the Accounts Payable Supervisor at North Dakota State University. Martin brings with her 17 years of experience in accounting, audit and compliance, grower accounting and inventory.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
