Occupational  
Health Nurse

# Thompson Accepts Occupational Health Nurse Position at American Crystal

Kayla Thompson has accepted the position of Occupational Health Nurse at American Crystal Sugar Company's Drayton Factory.

In this position, Thompson will provide first aid treatment, case management and safety and health training at the Drayton factory. She has 14 years of experience and was most recently a Dakota Travel Nurse. Thompson graduated from Northland Community and Technical College as a Registered Nurse.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
