Thomas Cymbaluk
Agriculturist

Cymbaluk Accepts Agriculturist Position at American Crystal

Thomas Cymbaluk has accepted the position of Agriculturist for American Crystal Sugar Company's Drayton Factory District.

In this position, Cymbaluk will provide expertise to growers in the production of a high-quality sugarbeet crop with an intent to increase the recoverable sugar per acre. He holds a bachelor's degree in Crop and Weed Science from North Dakota State University. Cymbaluk has four years of agriculture industry experience working with Simplot, CHS Ag Services and the Northwest Research and Outreach Center.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
