Supervisor

Evenson Accepts Assistant Packaging and Warehouse Supervisor Position at American Crystal

Chris Evenson has accepted the position of Assistant Packaging and Warehouse Supervisor at American Crystal Sugar Company's Drayton Factory.

In this role, Evenson will oversee all aspects of product storage, packaging, shipping and maintenance operations for sugar and agri-products. He has been with American Crystal since 2016 and was previously a House Mechanic. Evenson has a degree in Powersports Technology from North Dakota State College of Science.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
