

PERSONNEL UPDATE

Sean Richards
Senior Engineer

American Crystal Promotes Richards

Sean Richards has been promoted to Senior Engineer at American Crystal Sugar Company's Moorhead factory.

In this position, Richards will provide overall factory project management and expertise for the engineering actives at the Moorhead factory, including oversight of capital plans to ensure objectives are met. He has been with American Crystal for 11 years and has held various engineering positions. Richards was most recently Process Engineer at Moorhead. He graduated from Minnesota State University Mankato with a bachelor's degree in Mechanical Engineering and minors in Math, Physics and Economics.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
