Packaging and
Warehouse
Supervisor

Bissell Accepts Packaging and Warehouse Supervisor Position at American Crystal

Josh Bissell has accepted the position of Packaging and Warehouse Supervisor at American Crystal Sugar Company's Crookston factory.

In his new role he will oversee all aspects of product storage, packaging, shipping and maintenance operations for sugar and agri-products. Bissell has been with American Crystal since 2013 and was most recently a Packaging and Warehouse Technician II.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
