

## PERSONNEL UPDATE

**Eric Burt**  
Shift Administrator  
Drayton

### Burt Accepts Shift Administrator Position at American Crystal

Eric Burt has accepted the position of Shift Administrator at American Crystal Sugar Company's Drayton factory.

In this position, Burt will assist in processing and maintenance activities as well as optimize operations in a safe, cost-effective manner. He will be responsible for providing supervision and leadership to support overall shift operations.

Burt has been with American Crystal since 2013 and was most recently a Process Technician I.

American Crystal is a grower-owned cooperative and the nation's largest beet sugar producer with operating facilities in Moorhead, Crookston and East Grand Forks, Minn.; Hillsboro and Drayton, ND; and Sidney, MT.
