Hover over "Crop Protection"

The image is a screenshot of a web browser displaying the Syngenta United States website. The browser's address bar shows the URL www.syngenta-us.com/home.aspx. The website's navigation menu includes links for "Label SDS", "Find Resellers", "Syngenta Global", "Crops", "Seeds", "Crop Protection", "Tools & Services", "Sustainability", "Professional Solutions", "Contact Us", and "About Us". The "Crop Protection" link is highlighted with a red circle. Below the navigation bar, the page content features the heading "Syngenta in the US" and a prominent banner for "Take the Insect IQ Quiz". The banner text reads: "Test your knowledge of key insect threats in citrus, potatoes, vegetables, and tree nuts for CCA credits." The background of the banner is a collage of various insects, including bees, beetles, and flies, along with some green leaves.

Click "Indemnified Labels"

The image is a screenshot of a web browser displaying the Syngenta United States homepage. The browser's address bar shows the URL www.syngenta-us.com/home.aspx#. The page features a navigation menu with links for Crops, Seeds, Crop Protection, Tools & Services, Sustainability, Professional Solutions, Contact Us, and About Us. The Syngenta logo is in the top right corner. Below the navigation, there are two main columns. The left column is titled 'PRODUCTS' and lists: Crop Protection Homepage, Product Search, Seed Treatments, Herbicides, Insecticides, Fungicides, and View All Products. The right column is titled 'LABELS' and lists: Label & SDS Search, Special Labels Search, and Indemnified Labels. The 'Indemnified Labels' link is circled in red. To the right of the 'LABELS' section is a graphic titled 'Take the Insect IQ Quiz' which includes the text: 'Test your knowledge of key insect threats in citrus, potatoes, vegetables, and tree nuts for CCA credits. Take Quiz >>'. The bottom of the page features a decorative banner with various insects.

At this point the grower must login (if they already have an account) or register (Name, Address, Email, phone is all info needed).

The screenshot shows a web browser window with the URL <https://www.syngenta-us.com/labels/indemnified-label-login>. The browser's address bar and tabs are visible at the top. The page header includes navigation links: [Label SOS](#), [Find Resellers](#), [Syngenta Global](#), and a search icon. The main navigation menu contains: [Crops](#), [Seeds](#), [Crop Protection](#), [Tools & Services](#), [Sustainability](#), [Professional Solutions](#), [Contact Us](#), and [About Us](#). The Syngenta United States logo is in the top right corner. Below the header, the breadcrumb trail reads "Syngenta US > Crop Protection > Labels > Login". The main heading is "Login". In the top right of the main content area, there are links for [Login](#) and [Register](#). The text states: "Syngenta intends indemnified Section 24C labels only to be distributed to users that have agreed in writing to the terms and conditions of the use including a waiver of liability. Please enter your user name and password below." There are two input fields: "User Name" and "Password". Below the fields, there are links for "Forgot your [user name](#) or [password](#)" and "Don't have an account? [Register here](#)". A green "Login" button is at the bottom.

Waiver of Liability and Indemnification Agreement [Print this page](#)

SYNGENTA CROP PROTECTION, INC. ("SYNGENTA") DOES NOT RECOMMEND THE USE OF Dual Magnum ON Sugar Beets IN Minnesota. Dual Magnum, WHEN USED ON Sugar Beets, MAY LEAD TO CROP INJURY, YIELD REDUCTION, OR CROP LOSS.

Before you may have access to the labeling for the use of Dual Magnum on Sugar Beets in Minnesota, you must agree, on behalf of yourself individually (if your business is a sole proprietorship) or on behalf of your company (if your business is a corporation or partnership) to be legally bound by the terms of this Waiver of Liability and Indemnification Agreement (the "Agreement").

If you click on the button marked "I agree," you will be creating a legally-binding agreement between Syngenta Crop Protection ("Syngenta") and you or your company (if any).

If you do not agree to the terms of this Agreement, click the button marked "I do not agree." If you click the button marked "I do not agree," you will not be given access to the indemnified label you requested and you will not be permitted to use Dual Magnum on Sugar Beets in Minnesota.

For good and valuable consideration, you acknowledge and agree, on behalf of yourself individually (if your business is a sole proprietorship) or your company (if your business is a corporation or partnership), as follows:

1. Definition of "User". As used in this Agreement, the term "User" refers to you (if your business is a sole proprietorship) or your company (if your business is a corporation or partnership).
2. Risk of Crop Injury and Assumption of Risk. Syngenta does not recommend the use of on Sugar Beets in Minnesota. Dual Magnum, when used on Sugar Beets, may lead to crop injury, yield reduction, or crop loss. Syngenta recommends that User test Dual Magnum on Sugar Beets under generally-prevailing local conditions, soil types, and growing practices to evaluate its suitability for such intended use.

From there you will be directed to a printable copy of the Dual Magnum Section 24 Indemnified Label on Sugar Beets.
