

TRANSFER OF PREPILE QUOTA AGREEMENT

This agreement is to provide for the delivery of prepile quotas by parties other than the original contract shareholder. The original contract shareholder is unable, for whatever reason to deliver the prepile quota and has given this quota to the undersigned, thereby fulfilling the obligation to the Company in regards to delivering prepile quotas. According to the 5-Year Agreement, each contract must be hauled when and where designated by the Company. This signed agreement must be given to your Agriculturist PRIOR to your designated haul date.
