Growers,

I am pleased to announce the appointment of Wyatt Olsonawski as Agriculturist in the Drayton District, serving the area previously covered by Jackson Stads vold.

Wyatt is a graduate of the University of Minnesota Crookston, where he earned his degree in Agronomy. He was raised on a farm near Hallock, MN, and began his career with American Crystal as an Agriculturist in East Grand Forks. Wyatt is excited for the opportunity to return closer to home and looks forward to meeting and working with his growers in the coming weeks.

In his new role, Wyatt will work closely with growers in the Stephen area. During harvest, he will oversee operations at the Humboldt, Kennedy, and Stephen delivery stations.

Please join us in welcoming Wyatt to the Drayton District as he transitions into his new role.
