

September 9, 2026

Growers,

I am pleased to announce the appointment of Sterling Burgess as Agriculturist in the Drayton District, serving the area previously covered by Jon Fuqua.

Sterling is a graduate of North Dakota State University, where he earned his Bachelor of Science degree in Crop & Weed Science. He was most recently employed as a crop consultant at Nutrien Ag Solutions in Cavalier, ND. Sterling is looking forward to meeting and working with his growers in the coming weeks and preparing for the upcoming harvest.

In his new role, Sterling will work closely with growers in the Grafton area. During harvest, he will oversee operations at the Grafton and St Thomas delivery stations.

Please join us in welcoming Sterling to the Drayton District as he transitions into his new role

Sterling Burgess

Phone: 701-520-5651
